Summer Program Ambassador
Tigertown Summer Bound
Summer 2019

Description:
The Tigertown Summer Bound Program (TTSB) provides a select group of new incoming students with an opportunity to enroll in 6 credit hours prior to their first fall semester and participate in structured, intentional activities designed to enhance their transition to college. Summer Program Ambassadors (SPAs) for TTSB are live-in student staff members who assist in creating a healthy living and learning environment for participants through intentional tutoring and academic assistance. SPAs assist in these first-year student’s transition to becoming successful students at Clemson University. SPAs uphold university and program policies and procedures, after hours resource support, and provide academic and personal guidance.

Requirements:
- Lead tutoring sessions and discuss specific course content, having strong command of both subject-related material and tutoring skills with the ability to relate these skills to students.
- Mentor students in academic and personal development.
- Design, coordinate, and implement students during scheduled activities and programs.

Expectations:
- Participate in all training sessions during Spring (approximately 3, times and dates TBD) and summer 2019 (June 16th - June 23rd).
- Live in the residence hall and be available for students from June 16th to August 2nd.
- Students are permitted to take 3-6 credit hours during summer session II. Intended courses must be approved by program staff at the time of hire.
