

# Writing for Publication

Online Event

Jill D. McLeigh, PhD

Dr. McLeigh will be speaking about the process of how to professionally publish a piece of work. She currently serves as the Director of Policy, Advocacy, and Research at the Rees-Jones Center for Foster Care Excellence at Children's Health in Dallas, Texas. Dr. McLeigh has experience working as the co-editor of the *International Journal on Child Maltreatment* and the *American Journal of Orthopsychiatry*.

## Why?

Do you want to learn some useful and relevant techniques that could increase your likelihood of being published as an undergraduate?

**Then this presentation is for you!**
