Emeritus Day is an exciting and beneficial time for emeritus faculty. Several University providers will be present to help you navigate your benefits, including applying for your parking permit before it expires! The Provost and President will be honoring the emeriti for 2018-19 with a ceremony in the BellSouth Auditorium. You are invited to attend the ceremony honoring the 2018-19 emeriti at 11:30 am. Lunch will be served in the ballroom, and Dr. Doris R. Helms, Vice President for Academic Affairs and Provost Emerita, will be our guest speaker. Lunch is free to emeriti with a \$20 donation requested for each guest.
