Purpose

The South Carolina Association of County Agricultural Agents (SCACAA) was formed to promote professional welfare with Clemson University; to encourage and promote higher standards of attainment in agent work; to foster harmonious and cooperative efforts within the Extension community; and to cultivate a closer relationship among its members.

NACAA and SCACAA Code of Ethics

My professional standards shall have in them a note of understanding for our common humanity. My work, ambitions and relations shall always cause me to take into consideration my highest duties as a member of society.

In every position of business life, in every responsibility that comes before me, my chief thought shall be to fill that position and discharge that responsibility to lift the level of human ideals and achievements a little higher than I found it.

- FIRST: Consider my vocation worthy and as affording me distinct opportunity to serve society.
- SECOND: Improve myself, increase my efficiency, and enlarge my service.
- THIRD: Remember that I am a professional person and want to succeed, but that I am first an ethical person and wish no success that is not founded on the highest justice and morality.
- FOURTH: Respect and hold in high esteem science in all its phases and to recognize that Experiment Station and USDA findings constitute professional authority in agriculture and to respect the opinion of those who have established themselves as authorities in this branch of science.
- FIFTH: Be loyal to our State Universities, the USDA, our local, state, and national government.
- SIXTH: Hold in high esteem the callings of both rural and urban activities including farming, urban and youth development programs, and homemaking.
- SEVENTH: Recognize that the development of leadership and the building of communities is the highest service I can render as a County Extension Agent.
- EIGHTH: Maintain an open mind, seeking always to understand the viewpoints of others.
- NINTH: Not engage in any activity which will interfere with the proper fulfillment of my professional duties and bring discredit to my office.
- TENTH: Support and contribute to strengthening my State or Regional and National Association of County Agricultural Agents in their efforts to improve and advance the Extension Service Program for the betterment of our nation.

NATIONAL AWARD WINNERS ATTENDING THE NATIONAL MEETING WILL BE PARTIALLY REIMBURSED FOR EXPENSES AT AN AMOUNT DETERMINED BY THE SCACAA BOARD.

Recognition of Supporters

The SCACAA strives to recognize those without whose support Extension would be much less effective. The primary way that this is accomplished is through the Friend of Extension and Media awards. Following is a brief description of each:

Friend of Extension:

This is the highest award that SCACAA can bestow upon a non-member. The purpose is to recognize outstanding support for Extension educational programming. Recipients may be local, statewide, or national. Former honorees include agribusiness persons, local advisory board members, organizations, local and statewide political figures, and strong Clemson supporters in general. Any member may nominate someone for this award. A one-page letter of nomination explaining why the nominee deserves the Friend of Extension award should be sent to the Recognition and Awards committee chair. The final selection of recipients is made by the Board at their Spring meeting. Not more than three Friends will be recognized in any given year. The member making the nomination will arrange for the winner(s) attendance and present the Friend of Extension Award at the SCACAA AM/PIC Awards Banquet.

Note: This award can be received by an organization or individual only once.

Media Award:

The Media Award recognizes our friends in the media. This includes all forms of print, internet, radio, and television media. Any member may make a nomination for this award. A one-page letter of nomination explaining why the nominee deserves the Media Award should be sent to the Recognition and Awards committee chair, and the committee determines the recipient. Only one Media Award is presented annually. The Communications committee chair will arrange for the winner(s) attendance and present the award at the SCACAA AM/PIC Awards Banquet.

Note: This award can be received by an organization or individual more than once.

Other awards:

The SCACAA Board of Directors may, at their discretion, honor individuals or organizations for their contributions to agriculture in general, and Extension in particular.

Fund Raising (Donations)

Donations to the SCACAA comes primarily from two sources. These are direct donations to the SCACAA, and donations to the SCACAA account through the Clemson University Foundation.

Direct Donations:

Direct donations are handled by the Vice President. He/she directs the SCACAA's annual fund-raising drive. Written requests are made to potential donors, and donations are deposited in the SCACAA checking account. Donors to the SCACAA are recognized at the SCACAA AM/PIC.

SCACAA Foundation Account:

The SCACAA Foundation Account was established to provide financial support for the SCACAA AM/PIC and NACAA regional meetings. SCACAA Foundation funds can also be used to provide travel support for DSA's, AA's, and national award winners to attend the NACAA AM/PIC and for SCACAA officers to attend appropriate regional and national meetings. The Fundraising Chair will set donor categories and gifts.

Donor Categories		Previous Gift Examples
Bronze Donor	\$1 - \$119	Window Decal
Silver Donor	\$120 - \$249	Window Decal, Hat for Active/Life Members
Gold Donor	\$250 - \$499	Window Decal, Leather Coaster, Hat for Active/Life Members

For annual gift forms, payroll deduction forms, and requests for Foundation information, visit the SCACAA web page (clemson.edu/scacaa) or contact the Fund Administrators (current Treasurer and/or the Associate Director of Extension), or the SCACAA President.

Voting Delegates

The NACAA allows each state organization to send voting delegates to the NACAA AM/PIC under the following guidelines: each state is authorized one voting delegate for up to the first 40 members. Thereafter, one additional voting delegate is authorized for each 30 members or fraction thereof. [1 - 40 members = 1 VD; 41 - 70 members = 2 VD; 71 -100 members = 3 VD; 101-130 members = 4 VD; 131 - 160 = 5 VD; 161 - 190 = 6 VD; and so on.] The number of voting delegates that a state may send to the NACAA AM/PIC is based on the number of paid members during the preceding calendar year.

The order in which members of the SCACAA are selected as voting delegates to the national meeting is as follows: President, President Elect, Vice President, Past President, Secretary, Treasurer. If the appropriate number of voting delegates from the above will not be in attendance at the national meeting, the state President may designate any member in good standing (paid member) who will be in attendance at the national meeting to serve as a voting delegate. This must be done in advance of the meeting, when the call for voting delegates is put out from the national Secretary.

Reimbursement for Authorized SCACAA Travel

When traveling on authorized Association business, members (officers or otherwise) requesting reimbursement are expected to attend their respective official events and ceremonies, and the Southern Regional meeting. Members will be as frugal as reasonably possible, and will request reimbursement only for actual expenses. These actions include: sharing rooms when possible; driving rather than flying when possible, and when less expensive; reimbursement for meals only for actual expenses, and not to exceed the maximum allowed by the state; reimbursement for gas only for actual expenses, and not for the state allowed mileage. These actions will assist the Association in living within its income.
