

We are proud to announce that Alissa Claire Rhodes is the recipient of this year's scholarship award. Alissa is truly an amazing student, and her application clearly reflected the outstanding qualities and values we strive to represent. We were all incredibly impressed by her application from the very beginning. She immediately stood out, not only because of the professionalism and presentation of her materials, but even more so after reviewing her essay and the wonderful recommendation letters submitted on her behalf.

Her dedication, character, leadership, and accomplishments were truly exceptional, and it was clear to all of us that she is a remarkable young lady with a bright future ahead. Alissa plans to attend Clemson University, where she hopes to use her education to improve her community and support under-resourced youth. We are excited to see all that she will accomplish and are honored to recognize her with this year's scholarship award.
