

Crop Scouting Workshop

For: Cotton and Soybean

The Clemson Extension Service will conduct a crop scouting school on Friday, July 30, 2021. This program is designed to teach scouting techniques and identification of insects in cotton and soybeans.

Program Agenda:

9:00am – Meet at Edisto Research & Education Center
9:15am – Introductions/travel to cotton and soybean fields
9:30am – In field sampling and identification – cotton and soybean
Noon – Lunch (Edisto Rec Auditorium)

Pesticide recertification credits and Certified Crop Advisor continuing education hours have been applied for. A box lunch will be provided at the end of the session. Pre-registration via the following Eventbrite link is required. **This workshop is limited to 50 people, so register early.**
