

AGED 7500: Digital Story Assignment

Due Date	August 7, 2022 (11:59 p.m.)
Video Submission Format	Project will be developed in Adobe Express; export as an .MP4 video file from Express and upload to designated location in Canvas.
Topic	How can I foster awareness of FAS careers of my students, based on what I learned from the SOCIAL Academy Summer Tour?
Audience	Plan for your audience to be your students.
Story Length	Between 5-8 minutes . No penalties if video goes over 8 minutes.
Storyboard	Please do not begin your digital story development in Adobe Express until your storyboard has been reviewed. If you can e-mail me as soon as you submit the storyboard, I will try to get it reviewed as soon as possible so you can begin working on your digital story. Make sure the Storyboard addresses all concepts identified in “Planning for the Story” below.
Citations	At the end of the video, provide a list of references used for music and images
