State Retirees Association
PO Box 3601
Irmo, SC 29063

The State Retirees Association Of South Carolina

We are the voice for current and future state, county, and municipal retirees.

Who We Are:

- The State Retirees Association is open to all members of the retirement systems of the State of South Carolina who are either retired or within five years of retirement.

Who Can Join? Participants in:

- SC Retirement System (SCRS)
- General Assembly Retirement System (GARS)
- Judges and Solicitors Retirement System (JSRS)
- Police Officers Retirement System (PORS)
- Anyone qualifying for benefits from the SC State Retirement System

What We Do:

The State Retirees Association is a strong advocate for retirees and identifies key retirement issues including:

- continuation of annual benefit increase;
- monitoring retirement fund investment strategies and
- **ensuring** full funding of increases in our health insurance program.

We advocate for our common interests by:

- carefully monitoring legislation affecting retirees and the retirement trust fund;
 - attending key legislative committee meetings;
 - attending meetings of the Investment Commission and the Public Employee Benefit Authority (PEBA);
 - using our collective voices to educate legislative and agency leaders and
 - **ensuring** that promised benefits do not erode.
-

These issues have been a great concern over the past several years. We are successful because of:

- clear, effective communication with members and
- our members' **collective** actions regarding common issues and interests.

Why Join:

- Ours is the **only** association which covers every branch of state government, as well as school systems and many local governments.
- We are committed to a single purpose: preserving your retirement and health care benefits.
- All retirees have a vital interest in ensuring that their promised financial and health interests are protected in every possible forum.
- As our membership increases, so does our influence in the political arena.
- It is critical that you add your voice to that of your fellow retirees when we address these matters.
- Numbers Count!!! We need you!!!

What Does Membership Cost?

- All new members are invited to join the State Retirees Association FREE for the first year and learn firsthand the value of membership.
 - Regular membership dues are \$24 per year. Monthly payroll deduction (\$2) is available.
 - Life membership is a one-time \$180.
 - All dues are used to advocate on behalf of retirees and maintain the business of the Association.
-
